BOLLARD SHOP

Range guide

BOLLARD CAPS AND CHAIN

Replacement caps, barrier chain and the fittings to hang it. Each part links straight to its page on our website.

Replacement bollard caps

Round plastic caps to replace lost or damaged ones. They finish the top of the bollard and help keep water out.

Product	Fits	SKU
114mm Plastic Cap – Round	114 mm bollards	114-PLASTIC-CAP
140mm Plastic Cap (Round)	140 mm bollards, 3 mm wall	140-PLASTIC-CAP
165mm Plastic Cap (Round)	165 mm bollards, 3.2 mm wall	165-PLASTIC-CAP
219mm Plastic Cap – Round	219 mm bollards	219-Plastic-Cap

Barrier chain

Hang between bollards to close off driveways, worksites and grassed areas, or to line walkways.

Product	Details	SKU
8mm (5/16) Galvanised Chain per Meter	Galvanised, sold by the metre. Not load rated.	GC-8MM-METER
25m x 8 mm Plastic Chain Red and White	Red and white plastic chain, 25 m bag.	PC-8MM-BAG

Chain fittings

An eye bolt can be drilled and fitted to most bollards so chain can hang between them. Ask us if you would like them fitted.

Product	Details	SKU
M12 Eye Bolt with Lock Nut (Supply Only)	Galvanised, with lock nut. Supply only.	EYE-BOLT
8mm D Shackle	8 mm	D-SHACKLE
Stainless Steel Snap Hook 8mm x 80mm	Stainless steel, 8 x 80 mm	SNAP-HOOK
